A researcher should consider bias when reviewing a research source. You may wish to ask yourself these questions about your source:

What is the author writing about?

What is the author's opinion on the topic?

Do you agree with the author's opinion?

Annotation of the Source (5-8 sentences)

- 1- Identify the source's title, author, and type.
- 2- Write a 2-4 sentence summary explaining the main idea.
- 3- Explain how you plan to use the research for your project.
